Catering Company

For Fabulous

OCCASIONS

Weddings

We never tire of weddings. We know them from A (attention to detail) to Zzzz (helping you sleep at night).

Despite having undertaken so many over the years each one presents a new challenge. Anxieties can run high on the big day so getting the detail and the organisation absolutely right is essential.

We have no set ideas, styles or menus as your wedding is your day. Tell us your dreams so we can turn them into reality.

Our evening wedding parties can be spectacular and with our three different rooms we can orchestrate the most intimate party or the grandest of occasions.

Multicultural Weddings

Bertie's Banqueting Rooms is one of Yorkshire's most stunning venues for multi-cultural weddings and your event can be tailored to meet your specific needs.

All our rooms are located near to our excellently equipped kitchen, which makes life so much easier for your own caterers.

Our experienced team is on hand to guide you through your special day by helping you plan and organise the day.

A member of our wedding team would be delighted to meet you to go through all the details and show you our facilities.

The stunning Crystal Ballroom can accommodate up to 200 guests and the Rennie Mackintosh Room holds up to 100. Our contemporary decorated Number One Brook Street Room again seats up to 100.

Bertie's Banqueting Rooms are situated centrally to Leeds and Manchester off junction 24 of the M62.

Conferences and Seminars

Whoever said you can't mix business with pleasure obviously has not used Bertie's for conferences, seminars or sales meetings. Good food, in our opinion, is the all important ingredient for building confidence, motivation and good teamwork.

During weekdays our rooms are transformed to provide a flexible and businesslike environment offering a variety of sizes and seating plans.

We also offer a range of more imaginative business lunch menus, and we're happy to discuss any individual requests.

Other Events

Looking for a venue that you can totally tailor to your requirements? Looking for a choice of rooms? A specific band or disco? A specific menu? Balloon sculptures etc. etc? We can tailor something to your exact specification.

We have a range of rooms:

Crystal Ballroom

Spectacular, Majestic and ideal for Grand Banqueting, Corporate Events and Christmas Parties. Seats up to 180 for formal events and up to 250 for informal events.

Rennie Mackintosh

Informal, Stylish and perfect for Receptions, Private Parties and Wedding Ceremonies. Seats up to 80 for formal events and up to 120 for informal events.

Bertie's @ No1 Brook Street

Contemporary, Chic and the right room for a Fun Party or Dinner. Seats up to 80 for formal events and 120 for informal events.

We also have a range of options from different menu and serving suggestions, through to finishing touches to make your event truly unique.

Contact us to discuss your requirements.

Outside Catering & Marquees

We do love a good wedding!

We have a reputation for providing outstanding, marquee-based weddings which demonstrate our expertise in planning, event management and service. We make them look effortless, allowing you to relax and enjoy your day.

With all the experience we have gained and with our reputation for providing superb food, wine and service, we can interpret your ideas and create the day for you.

Every wedding is as individual as you are, so we have no set ideas, style or menus. Just tell us your dreams and we will turn them into reality.

Wedding Etiquette

The Top Table

The top table arrangement facing your guests should normally read from left to right: Chief Bridesmaid, Groom's Father, Bride's Mother, Groom, Bride, Bride's Father, Groom's Mother, Best Man.

The Receiving Line

The receiving line is a courteous, practical and a great way to ensure you see everyone. Normally, when the Bride's parents have sent out invitations, they can be regarded as the host and hostess and should be first in line to receive the guests.

Grace

The toastmaster may say grace after escorting the Bride and Groom to their places at the top table. The toastmaster will introduce someone selected by the Bride and Groom to say grace if required.

The First Toast

The first toast is the duty and privilege of the Bride's father, but where this cannot be the case a close relative or family friend may give this very special toast.

The Bride and Bridegroom

The Bridegroom responds to this toast on behalf of himself and his Bride. It is also the Bridegroom's duty to make the second toast.

The Bridesmaids

The Best Man, on behalf of the Bridesmaids, responds to this toast. It is his duty to read out selected messages of congratulations. It is not traditional for the Best Man to repeat the toast to the Bride and Groom.
